Explain Translation

"Saya on call." basically means in English, "I'm on call." In this context, on call is
used in a work setting, especially
sions like doctors, IT support, or
cy services. It means that you are
ntly working but are available to
at any time if your services are
You kind of have to be ready to
action even if it's outside your
orking hours.

when you say "Saya on call,"
dicating the same thing - that
standby and can be called upon
r required. It shows that you are
(prepared) for any urgent duty.
